

Saints 1978

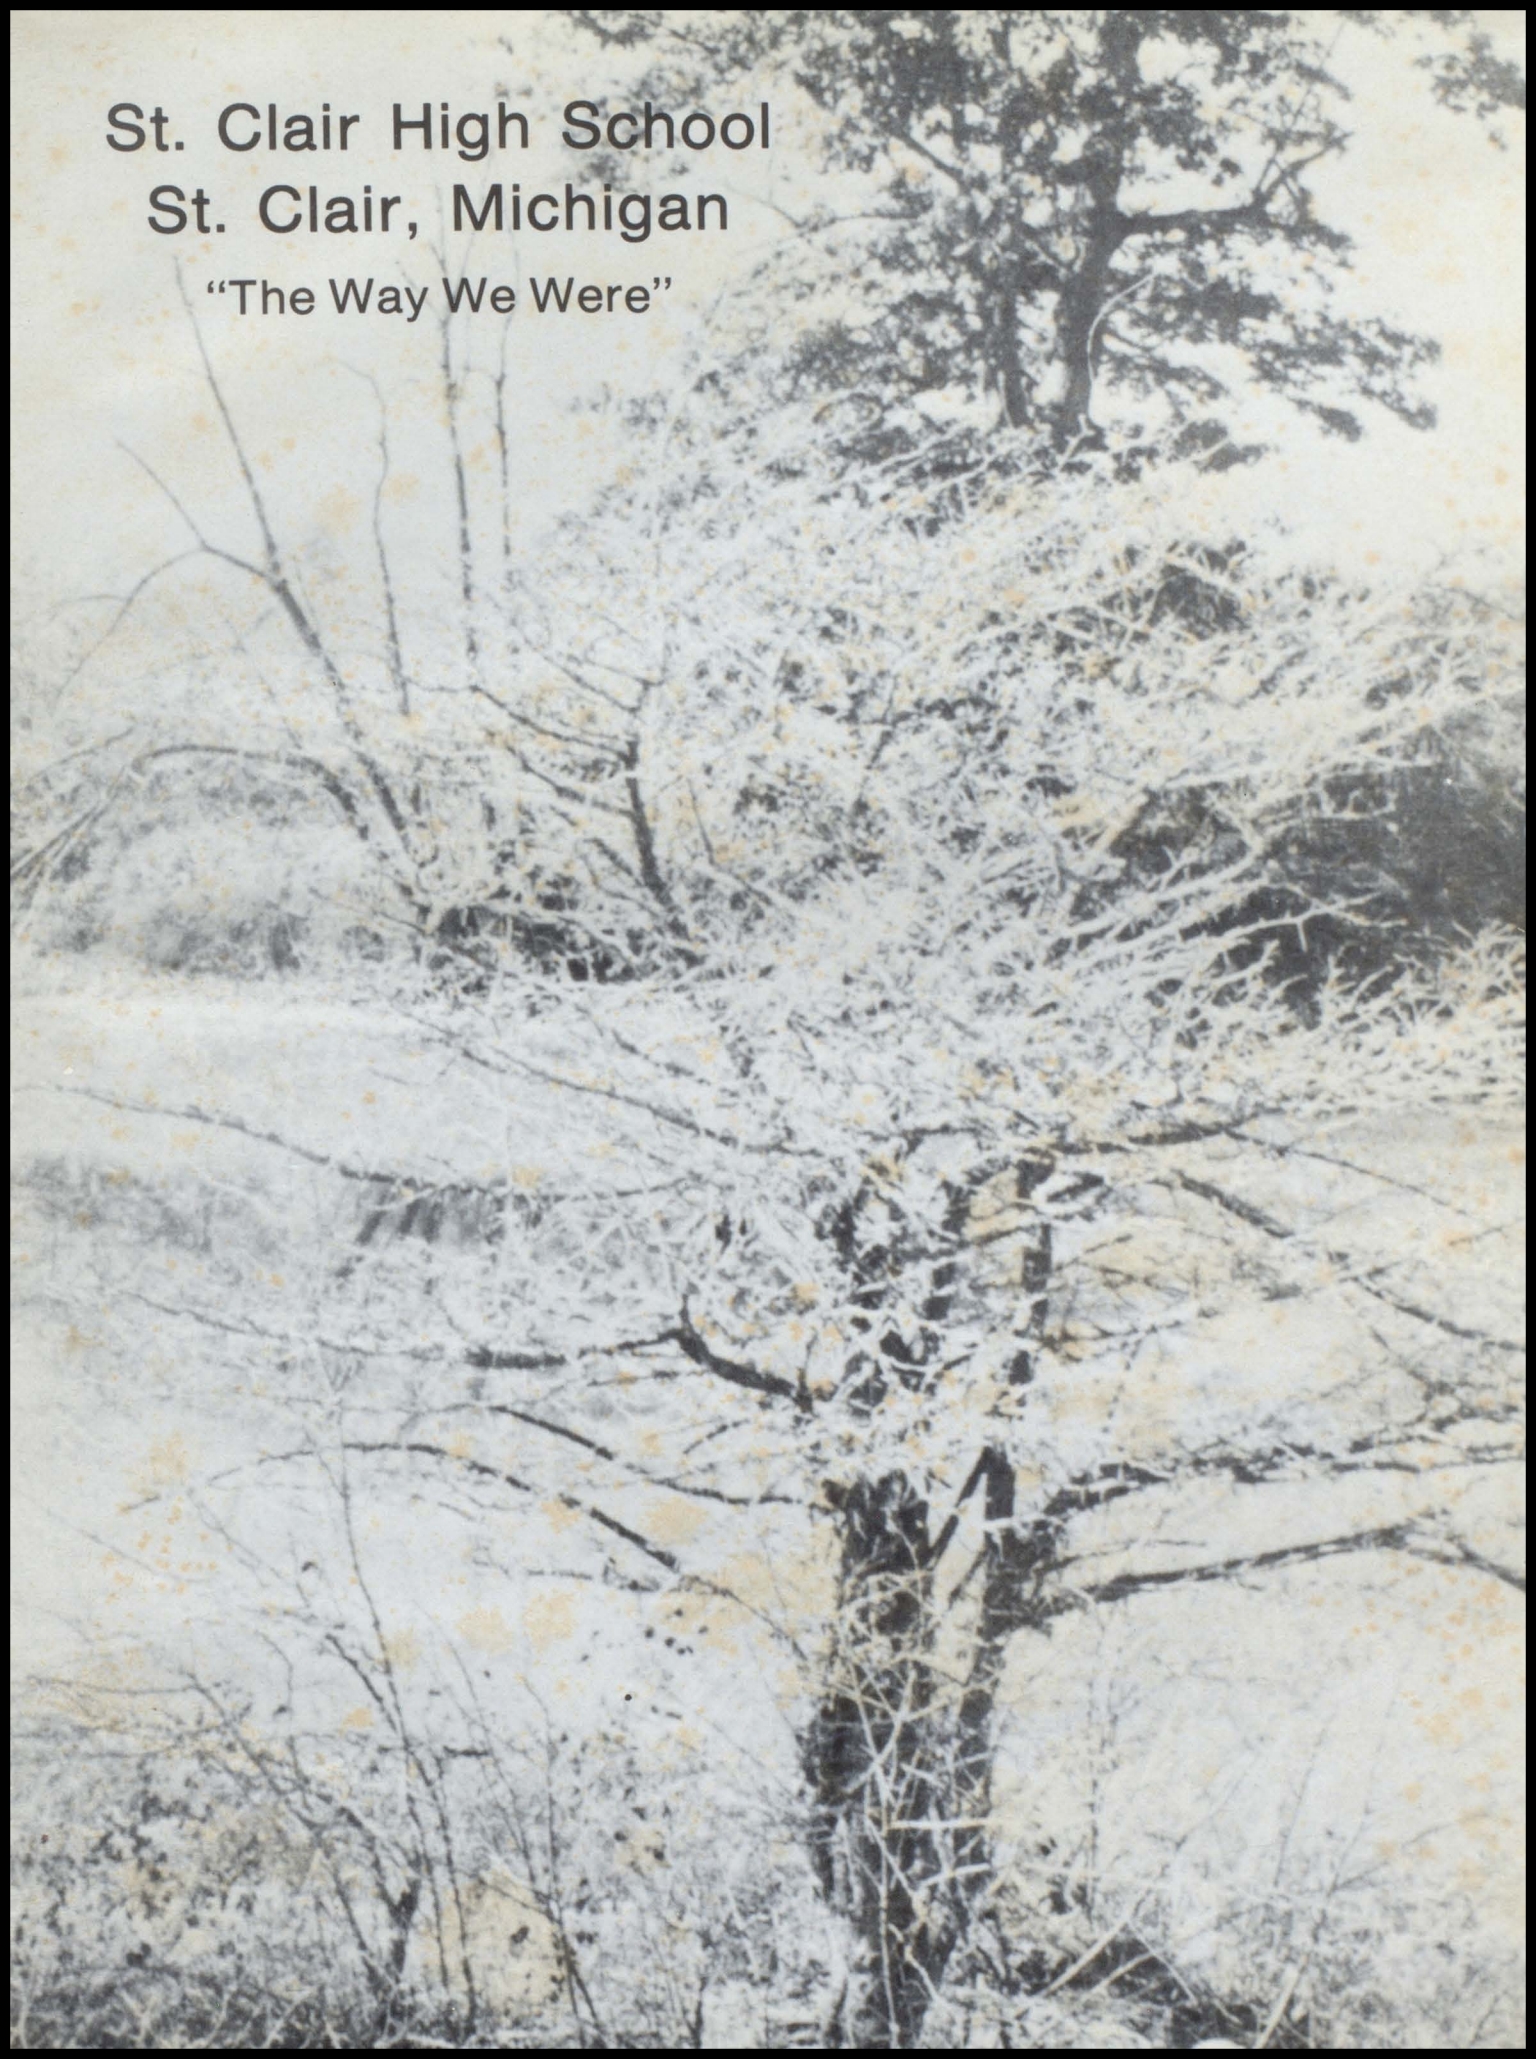

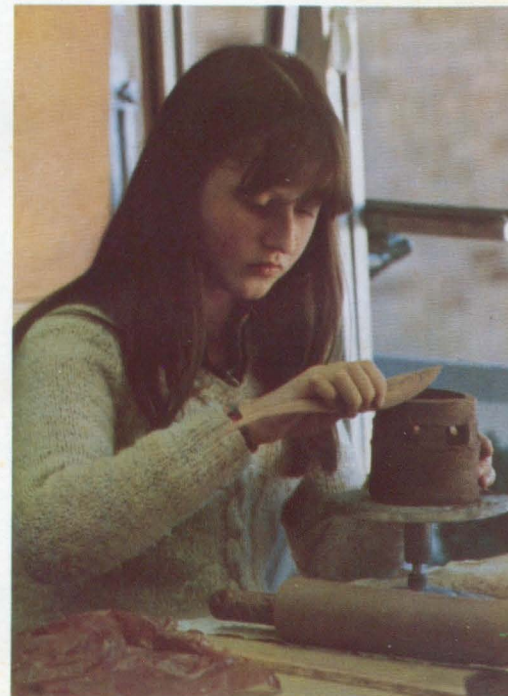

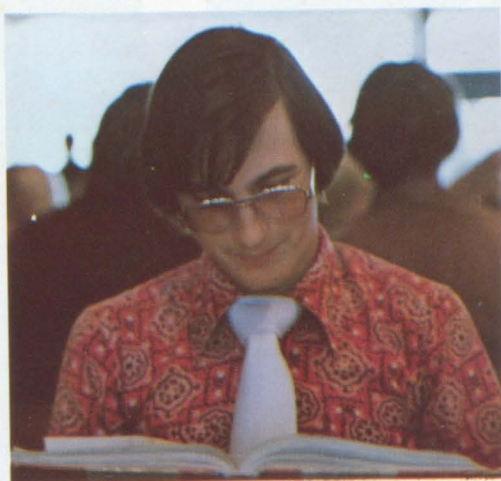

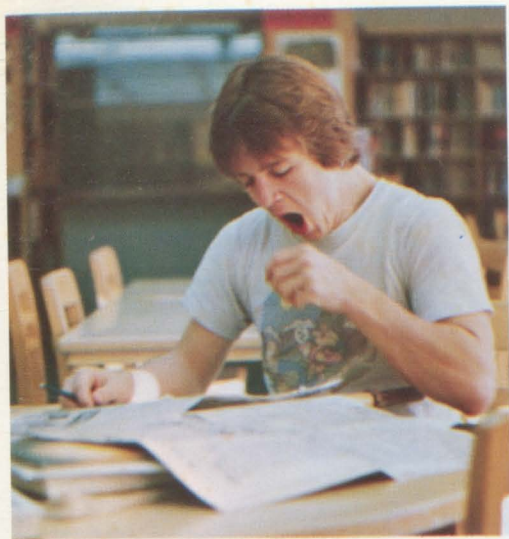

St. Clair High School
St. Clair, Michigan

"The Way We Were"

"SMILES WE GAVE TO ONE ANOTHER"

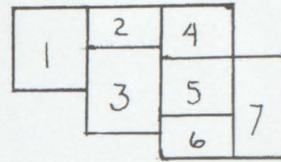

Saturday, October 22, 1977 was our Homecoming. For the first time in many years we had a beautiful day. This and a lot of other sheer joy and happiness will help keep strong memories in the minds of all of the people who were a part of this year's Homecoming.

The varsity football team contributed much to the exciting atmosphere on that Saturday. The Saints defeated the Marine City Mariners in overtime, 14-8.

In the Float competition once again the Seniors took first place. Ever since the Class of '78 came out to the High School they have held the winning ribbon. "Kick the Mariners Into Another World" provided the Seniors with a mere two point victory over the Juniors.

1. With megaphone in hand Ms. Bangs is ready for the parade. 2. As chilly as it was Kathy Kolan still marches proudly. 3. Although the Sophomore float didn't win Mitzi McCallum still shows winning spirit. 4. As deadly as they looked the Juniors lost the float competition by 2 points. 5. Pretty as a picture sat the reigning King and Queen, John and JoAnn, and the three Queen candidates Mari Muer, Chris Roose and Teresa Askew. 6. The Cheerleaders added a special touch to our parade with the excitement for the days activities. 7. Prize Winners for the third year in a row, the SENIORS are Number 1 again!!

"MISTY WATER COLORED MEMORIES"

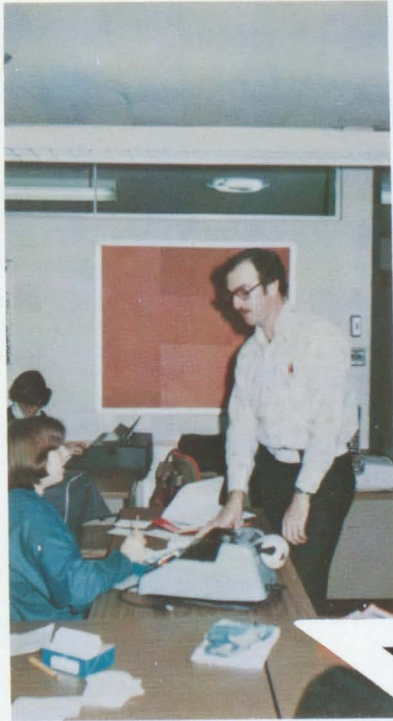

1. Excitement fills the eyes of Sophomore representatives Patty Markel and Colleen Swiacki in their first year on court. 2. Cheryl Davis and Sue Johnson share a bit of excitement as the parade progresses. 3. He may not appear too anxious to accept his award as candidate for King, but Mike Mackley was full of Spirit on Homecoming day. 4. On the other hand, Doug Rutt quickly rises to the occasion. 5. A watery-eyed Chris Roose receives congratulations from her friends. 6. Tim Hines flashes a bright smile just after being elected candidate for King. 7. Mari Muer takes a moment to consider the excitement of being chosen Queen candidate. 8. "What are the tears for?" the Homecoming King candidates seem to say as the Queen candidates cry in unison. 9. Previous to being crowned Queen, Teresa Askew's smile brightens the ceremony.

S.C.H.S.'S

ADMINISTRATION

"The Way They Were"

This year's yearbook is a reproduction of all the fond memories we hope to hold for the rest of our lives.

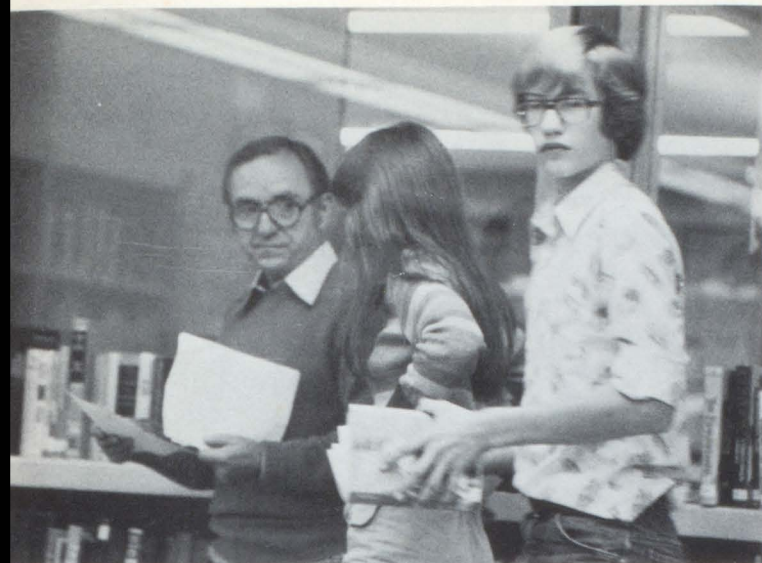

This year's faculty section is a brief summary of the memories the teachers have had in their previous years at St. Clair High School.

Won't it surprise you to find out that your science teacher once taught psychology? Or that your typing teacher once taught math?

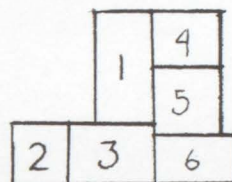

In doing this we hope to acquaint you a little more with your teachers and the way they remember past years as the faculty of SCHS.

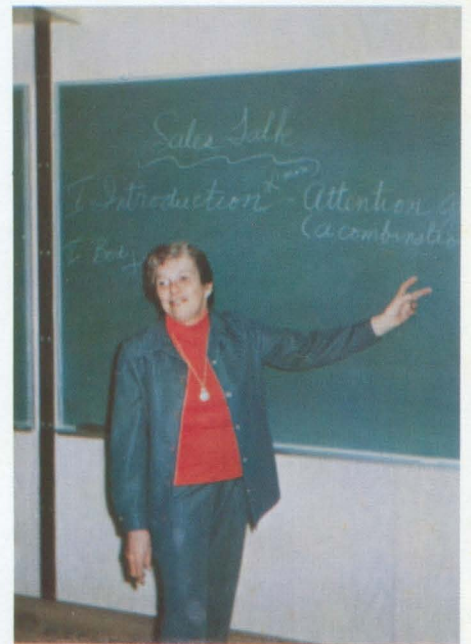

The teachers are very much a part of St. Clair High School. We are proud of their efforts to improve the students as well as the school. We would like to hope that they will all be with us for at least a couple more years. Thank You, teachers, for making the 1977-78 school year a memorable one.

Organization Is Our Business

Do you realize what those busy ladies in our school's office go through in just one day? Here's an idea: They fill out 200 tardy slips, 153 excused and unexcused absence slips, answer a zillion phone calls—partially which are angry or confused parents calling in about why Johnny got an E in a certain class, type out anything but everything, plus many other jobs to keep SCHS rolling. It is a big responsibility, and they do a superb job. There is hardly ever a quiet moment, and many strange things happen there. If it wasn't for this office staff, we would most likely be in complete chaos. So the next time we students need to go to the office, walk in with a big smile and a friendly hello, it's the least we could do to show our appreciation for them.

1. As principal for three years, Robert Bolla has done an outstanding job. Every morning before classes, he warmly greets us in the main hall. He often finds time to chat, or give advice to a seeking student. 2. Among his different duties, many a student can tell, that the most resounding job he has is the job he has when he yells! Ben is really a great guy and tries his hardest to help the students out when there are problems. 3. To keep the principal's business in line, his faithful secretary, Burle Levi, is kept constantly busy. 4. Not only does the principal need a secretary, but the counselors do also. Phyllis Rocker does her job well for them, and finds a moment from her hectic schedule to pose for our camera person. 5. Who's that cute little lady who is always roaming the halls, running helpful errands, and spreading cheer? Pat McCartney, that's who! 6. New to SCHS's office staff is Ila Barry, who is also a former student. Like the others in our office, she always has a friendly smile and has concern for the students.

M'm M'm GOOD!

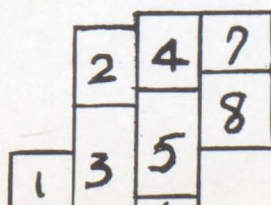

For the past two years, the faithful cooks here at SCHS have filled our empty stomachs. Such a job as they have is not all that easy, for making over 400 dinners a day is quite a task. Without them, we would have either starved, or spent our hard-earned money buying food elsewhere. Here at the school, the lunches are nutritiously balanced, as most of the food students buy from stores are not. Who could resist not eating a yummy, mouth-watering, chocolate frosted donut, next to a plate of hamburger gravy on mashed potatoes? Or a fattening bagel next to a bowl of tasty, hot vegetable soup? Most of us wish we could like nutritious foods, but we are helplessly addicted to those foods made with artificial preservatives and flavorings, or, just plain junk food!

But for most of the week, we appreciate having those lovely people in our school's kitchen, preparing for us a variety of foods to meet our appetites. And we thank them from the bottom of our stomachs, for doing such a good job and putting in a lot of hard work for the students and faculty here at SCHS. Bon appetite!

1. Anita Burroughs unwraps a turkey that will soon become a delicious lunch, while Mary Gauthier gives a few friendly suggestions on preparing it. 2. The sensational ice cream sandwich seller, Louella Muhlitner! 3. Hours before lunch, Betty Richter, Genevieve Hutkowske and Louella Muhlitner busily prepare the days tempting menu. 4. An endless array of duties keep Anita Burroughs and Shirley Warwick (background) busy, along with the other kitchen help. 5. Even though the kitchen gets rather hectic at times, Mary Gauthier looks as if she is in her own little world, while readying hamburger patties on their way to be cooked. 6. Have you ever wondered why SCHS's dishes are so clean? Well, it's because Betty Richter and Mark Gauthier take pride in their work. 7. Service with a smile from Shirley Warwick. 8. Deep in thought, Genevieve Hutkowske accurately counts the days change.

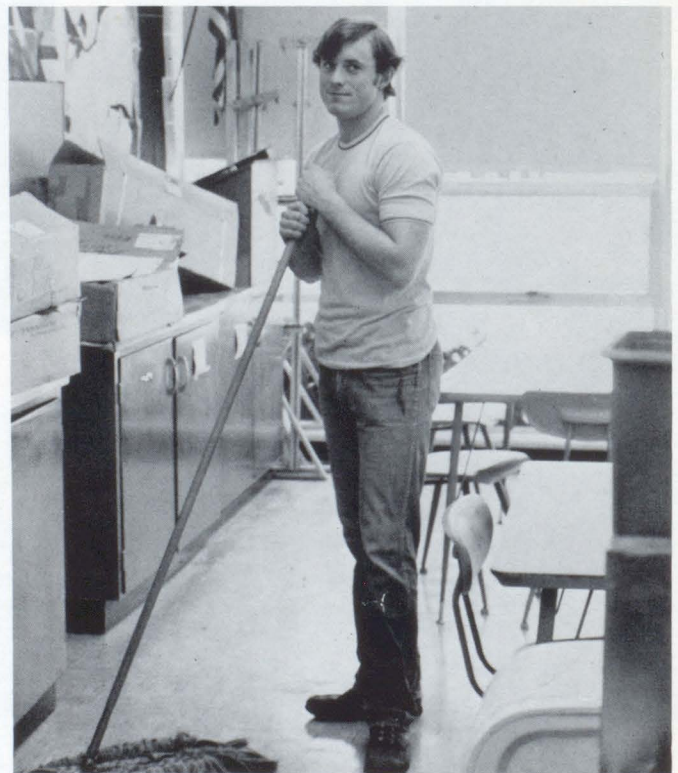

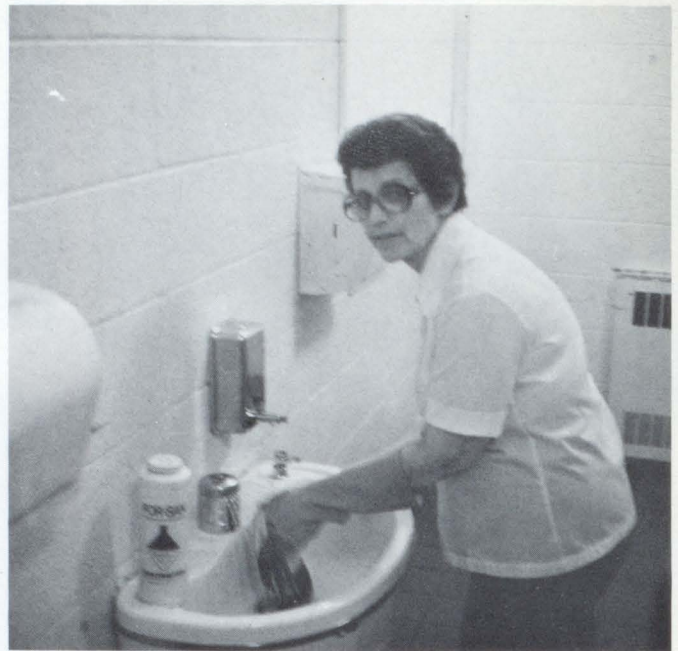

Whistle

While You Work

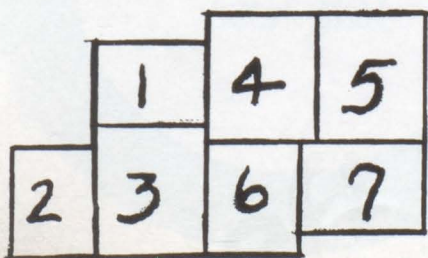

We really owe an awful lot to those special people who keep SCHS clean and presentable. Many people do not realize how important a job this is, if we didn't have them to care for this building, we certainly wouldn't have it now. Then, we would realize why our custodians are so important. They help us tremendously, to have pride in our school, for it has always been one of our finest qualities.

Keeping this school clean doesn't just mean pushing a broom for only a school year, but throughout most of summer vacation. There are dozens of other tedious little jobs, things most students haven't even given thought of. But we all want our hard-working custodians to know how much we appreciate the pride they have for keeping SCHS spic-n-span, and they will always be a shiny part of our years here.

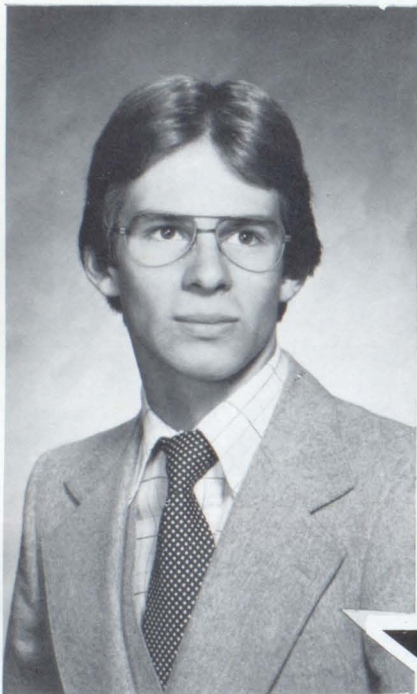

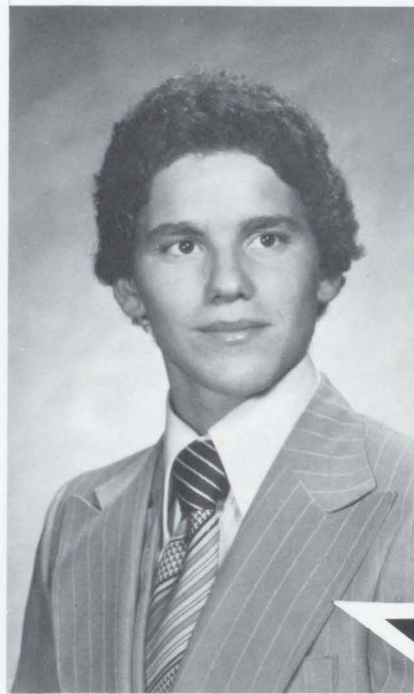

1. Scrubbing and cleaning is NORMA "NUMMY" THOMPSONS' speciality. 2. RAY KLASKI preparing the cafeteria for the speech classes play. 3. LOUIS RIFFENGURG has a message for the art class, "Can't you please be a little neater?" 4. Taking in the flag is one of the many jobs DENNY DANIELS has. 5. Keeping the floors clean is a full time job for JOHN DASHARION. 6. When the halls are empty of students JACK DRAGMILLER quickly spruces the place up.

S.C.H.S. Juniors:

"Next in Line and Ready for it!"

This year's Junior class shows great promise for the future . . .

Early in the year, they showed their spirit by taking second place in the Homecoming Float contest, losing by only two to the seniors. In November, the juniors sponsored a Thanksgiving Dance and Dance Marathon at which everyone had a good time. The class of "79" is also involved in Student Council, Interact, and their own Student Government. The Junior Prom this year was held at the Junior College in the Student Center on Saturday April 15, 1978. Many of the juniors are getting involved with the world on a much wider basis. With hopes of traveling to foreign countries, students made out applications to the Lions Club Youth Exchange Program, Y for U, and various other programs offered to high school students. All in all, they are a promising bunch of students.

"Big Class with Big Spirit"

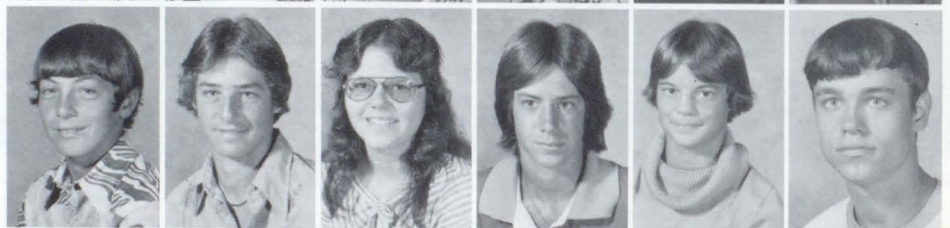

With their first year at SCHS nearly over, the Sophomores have a lot ahead of them in the next two years. It is quite a change coming from the Junior High where they were the oldest students, to here, where they are the youngest.

Their first day started out with complete bewilderment as to their surroundings. But they soon found their way and enthusiastically entered the float building contest. On homecoming day they walked away with a disappointing third place but, look out! Next year they will be back.

This year the fighting "Saints" were an outstanding group of athletes, though their record does not show this. The girls feel that they have made great strides this year and even though they are losing five seniors they are very hopeful for next year.

The saints had a very successful season this year. Proof of this came when the Saints barely missed beating the Marysville Vikings by a mere three or four inches in the last vital seconds of the game. Victory for the Saints would have meant 1st place in the league. Leading the Saints were captains Dave Ingles, Joe Mireau, and John Shaw.

S.C.A.L. CHAMPS

The 1978 St. Clair High School Girls Varsity Volleyball Team finished up with a super season. They tied for first place in the S.C.A.L. championship with Port Huron Central. The Saints ended their season with a record of 13-3. That's a vast improvement in the girls season from last year when they tied for last place.

This summer Coach Nancy Shaw took six of her varsity players to a Olympic Volleyball Camp. They returned with high spirits, for the upcoming season.

The Saints put up a tough fight to remain undefeated for the first nine games but were then defeated by the Marysville Vikettes for their first loss. The Saints had a tough schedule this year and had to work exceptionally hard to get where they stand now. Our hats go off to our girls, we're proud of the way you worked and the way you wound up this season!

2. Karyn Rowland cheers on the Saints as they chalk up another victory. 3. There is a look of silence over everyone's face as Karen Beach bumps one over the net. 4. With a look of awe, Teresa Askew bumps the ball hoping for a point. 5. Debbie Child shows us how it's got to be done if we want the spike. 6. Annie McCartney bustles to get the ball as Shelley Simonetta and Teresa Askew await the results of her bump. 7. Shellie Guildenstein winds up for another perfect serve. 8. With the aid of a set from Karyn Rowland, Barb Joachim goes up for the spike and point.

The 1978 Junior Varsity Volleyball Team started off their season with a lot of new faces and new talent. Miss Sharon Whitaker took this group of 12 girls and turned them into a team. They ended the 1978 season with a win loss record of 11-6.

The girls worked extremely hard this year to get where they are at. It certainly looks as though all that hard work paid off.

Six of the junior varsity players went to a Capac tournament and took first place. Congratulation girls on such a great season!

St. Clair: League Co-Champions

Kneeling from left to right—Bob Cook, Frank Rzonca, Jeff Schaaf, Mark Winters, Mark Carney, Kevin Bluhm. Standing from left to right—Coach Al Inkla, Dale Carney, Gary Meyers,

Scott Sawher, Tom Davis, Doug Rutt, Darrell Oakley, Dick Eisen.

It's nice to share, but just try to tell that to Coach Al Inkala and see what kind of response you would get. St. Clair has not won a league championship in quite a long time but this year it was different . . . well almost. St. Clair tied this year with Marine City after some unusually heavy competition from all the teams in the league.

St. Clair found some exceptional talent in Senior Mark Carney, who made the ALL-SCAL first team, and Junior Frank Rzonca, who made the ALL-SCAL second team. Senior Tom Davis and Junior Dale Carney made the Honorable Mention List. This year's team was composed of some very talented Juniors who we expect great things from next year, and this year's Seniors really gave their all. Mark Carney was voted the Most Valuable Player, and shared the title of Captain with Doug Rutt. Tom Davis racked up the most rebounds and had the highest field goal percentage. Mark Carney had the highest free throw percentage and the coveted Coaches Award went to Mark Winters.

The Saints this year had a SCAL record of 9-3 and an overall record of 16-6.

J.V. Basketball

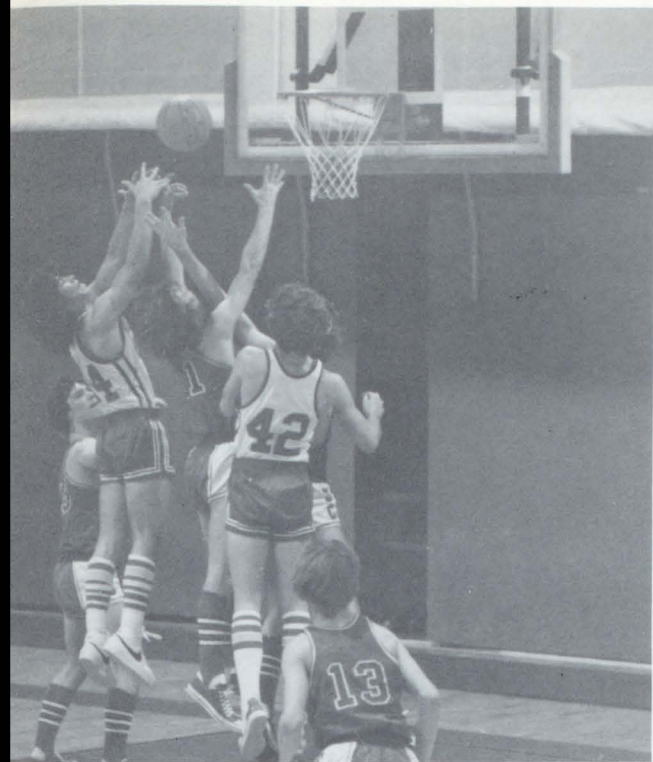

We had a great team this year for J.V. Boy's Basketball. Even though the team's members are separated during class-time because some go to the Junior High, on the basketball court they came together in perfect unison. They worked very hard to achieve grace and speed, but all their hard work was well worth the effort. With the playing ability we can see in them, we are sure to have another great Varsity team next year. They worked hard this year, and their effort is really appreciated.

Front Row-Left to Right—Mark Schumann, Bob Tatro, and Pat Stilwell. Back Row-Left to Right—assistant coach Larry

Boden, Mark VanTiem, Tom Mireau, Mark Gauthier, Fred Reyelts, John Warren, Peter Reyelts, and coach Paul Reyelts.

The 1977-1978 SCHS Varsity Wrestling Team started out the season with 3 straight wins, even with forfeiting 18 points per meet because of lack of wrestlers in the lighter weight classes. As the season wore on, the Saints lost a few wrestlers and their next 10 meets by forfeiting 18 to 42 points per meet. They finished the season with a win, however, and were very proud of some of their close losses to respectable opponents.

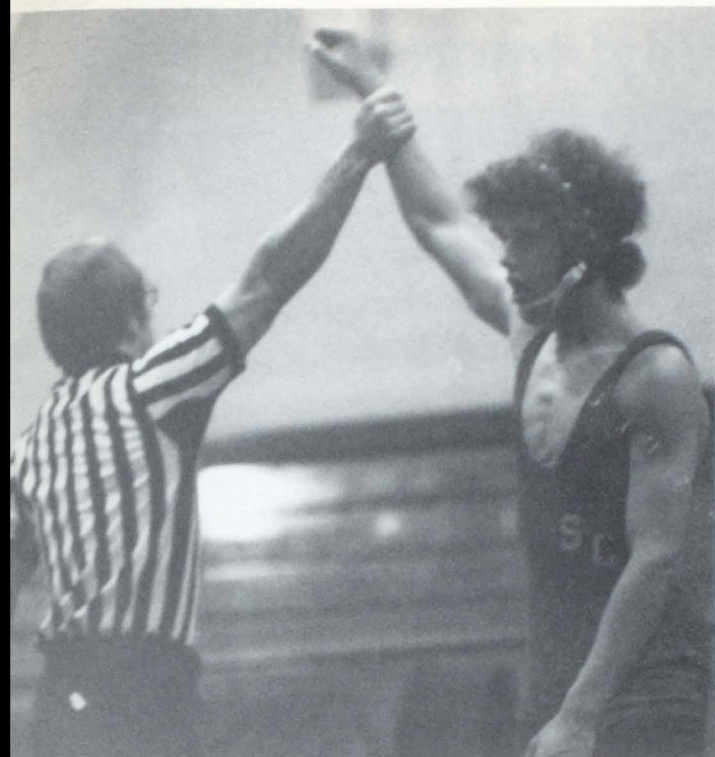

There were many bright spots individually on the team. They improved in all but one statistical category this season compared to the last few seasons. Five Saints broke the 20 win barrier this season, a SCHS record, with Glenn Spencer leading with 33 victories. That gave the Saints a .660 percentage in the win-loss department, one of the highest ever for a SCHS wrestling team. At the Dearborn Robichaud tournament, Fred Reyelts was voted MVP while Mark VanTiem won the same honor at the Almont tournament. The Saints won 45 medals during the season (12-1st, 21-2nd, 11-3rd, & 1-4th) and Glenn Spencer led the team with 5 golds and 3 silvers. The team brought home 2 trophies this season, a 3rd place one from the Almont tournament and a 2nd place one from the Algonac tournament where 10 teams participated. The team finished last in SCAL dual meet competition and

fifth in the SCAL tournament. Joe Mireau was the only champion for the Saints in the SCAL, but Fred Reyelts, Glenn Spencer, Tom Mireau, and Mark VanTiem won silver medals and Pat Stilwell earned a bronze medal. The Saints qualified Fred Reyelts, Glenn Spencer, and Joe Mireau to the regionals where they lost close matches. Co-captains selected by the team were Joe Mireau and Fred Reyelts. Winners of the Outstanding Wrestler Trophy, the Ted Mireau Memorial (Most Pins) Trophy, and the Student Council Coaches Trophy were Glenn Spencer with 33 wins and 6 losses, Glenn Spencer with a total of 16 pins; Mark VanTiem with an excellent record of 18 wins and 3 losses but was hampered by illness and then a disabling injury just before the final tournaments began.

Wrestling Coach Paul Reyelts completed his 8th season as Varsity Coach with Larry Boden as assistant coach. Pete Reyelts served as statician because of a back injury which prevented him from wrestling this year. Other assistants during the season were Dr. Steve Wheeler MD, Bob Closs and Jim Boden. Team Manager was Tom Kingsbury.

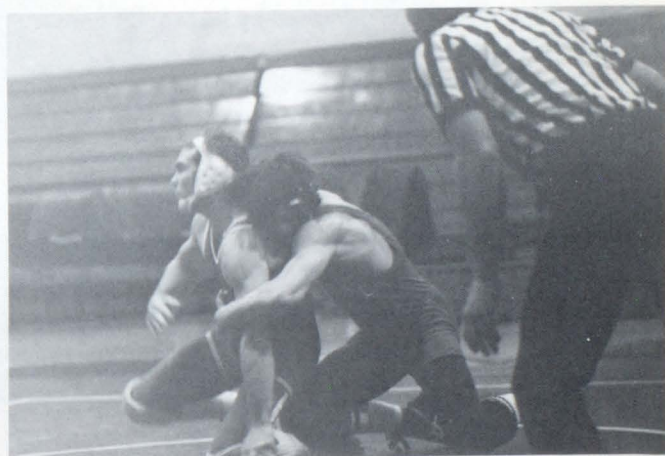

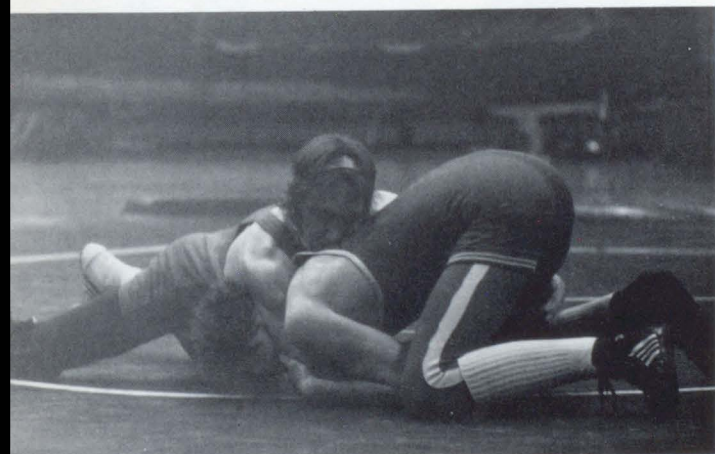

Wrestlers not pictured on the team picture were Glenn Spencer, Joe Mireau, Chris Jones and Marion Fadanelli.

S.C. Golfers Make Vast Improvement

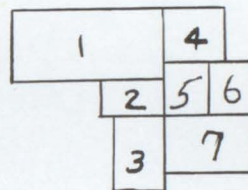

The St. Clair Golf Team improved by leaps and bounds, much better than the way we were. Last year we finished third in the league and sixteenth in the regionals. However, this year we were second in the league and a second place finish in the regionals! This qualified us for an invitation to play in the State Class B Golf Tournament, the second St. Clair golf team to go in the last 5 years. We finished 24th in the tournament. Captain Bill Kirkendall, medalist in league tournament, placed 2nd in the Regional. Bill, also, made 2nd team—All Area. The Saints record this year was eight and four:

Last year we finished fifth in the Yale Invitational and fifth in the SCAL meet. However, this year we were fourth at Yale and kept a fifth at the SCAL Tournament. Glen Craze, a Sophomore running at SCHS, made first team all league, a high honor for any runner. Verne Albrech, who returned as coach this season, is looking forward to a brighter future for next year's Cross Country Team.

The JV cheerleaders this season consisted of a group of girls all from the class of 1980, but that doesn't mean that they had any less spirit than the cheerleaders from the class of 1978. They worked very hard and were quite successful in lifting the spirits of their team and its fans in times of both exciting victory and unfortunate defeat.

The girls receive our extreme gratitude for making the games a little more important. We hope to see them next year on the Varsity Cheerleading Squad again giving our players that extra vote of confidence and pride.

Remembering the past, SCHS remembered the way we were. We have not only had Varsity and JV cheerleaders, but also cheerleaders for wrestling also. So this year cheerleading advisor, Ms. Watkins, started up a new squad for this muscle-oriented sport. They traveled along with their team, bellowing out cheers during the matches, and doing a fine job at it. It may sound a bit strange to have these cheerleaders, but they add to the spirit that the tough sport of wrestling already has.

S.C.H.S. BAND

The St. Clair High School band had a great year in 1978. During the first semester they were under the direction of Mr. John Barham. They played at all the home football games and added excitement and spirit to the games by putting on entertaining half-time shows.

The spring semester brought a new director, Mr. Donald Weber, and many exciting activities. Among them was their spring concert and playing in the pit during the Mikado.

We thank the band for all the time they spent in rehearsal to bring us hours of enjoyment.

Yearbook!

Another year—another yearbook, or so what many students are lead to believe. But this school year of 1977-78 held many different and bright promises for a special book holding the years many excitable and unforgettable moments. Eight full-color pages help to give it the different touch. Among these special pages, the homecoming is highlighted. Every member of our staff put forth their best effort to finish the many events that take place throughout the school year. This book is for you, student body of SCHS, so enjoy!

The Twirling Saints

A little dropping of batons, a few misjudged timings of steps, and bright smiles. But luckily, the smiles greatly outnumbered these few accidents. SCHS is gifted to have four very talented girls to add a bit of pizzazz to our pep assemblies and basketball games. The twirling club performed under the direction of Mrs. Colleen Webb, who is also a batonist. She devoted many extra hours and alot of patience to the girls. The outcome of this was—well, we have all seen them, and know how amazing it is to see that thin baton being gracefully sifted between their fingers. They make it look so easy, but just try it without punching your nose or making it fly into spectators, it certainly isn't easy! We'll let them do the twirling, so keep up the good work Sandy, Cindy, Kathy, Patty, and Mrs. Webb!

The St. Clair Student Council is kept busy with various activities throughout the year. The class presidents are automatically members of the student council. Their main activity is the organization of homecoming. Every year the student council sponsors the blood bank which is held in the high school. This year the student council has sponsored many successful activities. Among them are the Computer Dance and the Mikado.

In the spring, elections are held to elect members of the Student Council. Officers are chosen by all members of the student body. Three representatives from each class are chosen by the members of their class.

Some of the activities Inter-Act has organized are, visits to Faith Medical Center and a Christmas party for the residents there. The members also have taken care of the concession stand at the K of C hall and sponsored a pancake supper. The Inter-Act club is made up of high school aged students.

In the library, Mary Beth Machleid, Robin Brisbois, and Ken Gorzen take part in an Inter-Act meeting. Lisa Francois and Bill Stager discuss plans for a future fund raising event.

Hitting the Slopes

The winter of 1978 may just go down in history as the coldest winter we've ever lived through, but that certainly didn't stop this year's ski club.

With the help of Mr. Irvin, Mr. Ruehle, and Miss Watkins, the club was able to travel to places like Mt. Grampian, Pine Knob and Alpine Valley for great days on the slopes.

The advisors were also able to arrange for reduced prices for the ski club. Insiders report that the money saved was used for hot chocolate and chili. They were also offered skiing school classes at a reduced price to help improve their skiing ability. It must have worked because no one suffered any broken bones, a few uncomfortable lumps and bumps, but nothing serious enough for crutches or slings.

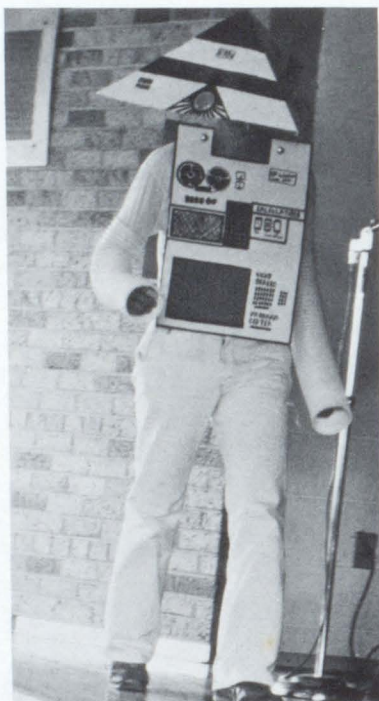

Over all this year's ski club was a big success! We hope to have such a fine turn out next year.

1. Soaring high into the air Todd Taylor masters the slopes. 2. "It's easy once you get the hang of it," says Mac Rowland as he glides down the slope. 3. "Russ I sure hope you have film in that camera because I'm not doing this again!" 6. "Mogul Buster" Mac Rowland shows us how it's done. 7. As he shuts his eyes tight and points his skis downhill Tom Shell is ready to tackle the slopes. 8. The weather's great and the skiing is terrific, so says the face of Paul Westrick as he drags up the tow rope to the top.

FRONT ROW: left to right. BOTTOM LEFT: "Watch it, bud, 'cause here I come!" Dan Irvin seems to be huffing as he makes his way onto the court. **DIRECTLY BELOW:** Looking rather disgusted, or just enjoying a free moment, Steve Klamerus (left) observes as Tom Denomy returns the ball with a solid whack.

6 wins	11 losses		

The 1977 Tennis team had a bit of a tough time this season. Their league record stood at 6 wins and 4 losses, with the overall league record of 6 wins and 11 losses. Coach Ronald Stablein enjoys helping the players with the ways of the game, but also watching them and their confidence grow. The hard-working team consists of all boys, except three girls. Kelly Walker was voted captain, and kept the team in good spirits. In the league meet, the team placed fifth, and in the regionals, they placed fourth.

Saints Win District Championship!

FRONT ROW: left to right. Sue Slis, Sandee Fleury, Ann Emerich, Tammy Weber. **SECOND ROW:** Sharon Westrick, Shellie Guildenstein, Jill O'Connor, Amy Erickson, Jill Muhlitner. **THIRD ROW:** Coach Nelda

MacLean, Sharon Klemmer, Chris Smolinski, Theresa Bondy, Julie Butlin, Danette LaPorte, and Barb Slis. Not Shown - Joan Pegg and Linda Jacobs.

After losing only three players to 1976 graduation, the Saints returned with many of the starting players. With four Seniors, one Junior, twelve Sophomores and one Freshmen the Saints keep up their good record.

The team is coached by Nelda MacLean who has done a great job for the team this year.

SAINTS MAKE DUST FLY

Dust did fly, but not as much as was hoped for. The **boys track team** this season proved better than past years, by breaking many records. Even with this, they weren't able to compete with over-whelming success. The relay teams had no trouble clicking off, they had speed and determination. Sprinters were also at a peak, as were the high and long jumpers. All the guys kept in there, practicing to perfect themselves with their own certain event as much as possible.

At the annual Spring Sports Banquet, many well deserved awards were given out. Just to mention a few, Doug Rutt was presented with the track-man award, which was easy to understand. There were two "Most Valuable Sprinter" awards, going to junior Dave Ingles and sophomore Kevin Bluhm. Coach Ben Witukiewicz kept the guys going and the spirit strong. SCHS is very proud to have athletes who have such a will to keep going forcefully and to overcome and understand the disappointment of defeat with valor.

SPIRIT: THE KEY WORD

So their team record wasn't too good, but they put all they had into it and still came out with good spirit. Most of the team consisted of freshman, who showed what they can do, and did a fair job doing it. Captain Sue Westrick boosted everyone's spirits, and kept them smiling. Two managers, sophomore Heather Dunsmore and junior Kelly Fraser, kept the team on their toes, and were sent on countless little errands. Without them, everyone would have died of thirst. The team knew that they weren't any match for those super athletes in the Olympics, but in their hearts, they were number one. And the one special person they can thank for that, is Coach Nancy Shaw.

UPPER LEFT: Steady pace and even breathing are what counts when you run the two mile run, as Sue Westrick (foreground) and Laurie Desmet (in third place) are well accomplishing. **UPPER RIGHT:** Here, timing really counts. One second off, and it's ruined. But Karen Schuenenman (receiver) and Mary Green (passer) had no trouble making one of their many smooth hand-offs. **LEFT: (Team cluster)** From top and left to right: Ann Knudsen, Jill Butlin, Manager Kelly Fraser, Debbie Holbrook, Mary Green, Nancy Erickson, Kathy Kolan, Kim Hicks, Karen Schuenenman, Debbie Bickley, Diana Egle, Gigi Valentine, Manager Heather Dunsmore, Joan Everitt, Betty Oles, Debbie Child, Cheryl Davis, Captain Sue Westrick, Mary Sue Skonieczny, and Coach Nancy Shaw. **Not pictured:** Debbie Majeski, Karen Beach, Laurie Desmet, Laura Gutt, Alice Huntoon, Sue Kasperski, Susan Levy, Pam Mills, Pam Mollan, Ann Stoecker, Julie Sullivan, Colleen Swiacki, Carrie Westrick, Wendy White, and Brenda Yeip.

St. Clair Hosts Blue Water Band Festival

The annual Blue Water Band Festival was held on April 27, 1977 at St. Clair High School. The high school bands participating in this festival were from Anchor Bay, Marysville, Marine City, and St. Clair.

The program began with each of the four bands playing one selection. The next part of the program was a new addition to the traditional Blue Water Band performance. Outstanding musicians from each of the four high school bands were selected to perform in the Blue Water Honors Band. The conclusion of the program was the traditional performance by the massed bands. All band members from each of the four schools assembled into one band to perform. The Honors Band and massed bands were directed by guest conductor Kenneth Bloomquist, director of bands and professor of music at Michigan State University.

PHOTOGRAPHED MEMORIES

The big night finally came for the months of talked about excitement, for the class of '78. This years Junior Prom was held on March 5, 1977, in spite of the cold chill of late winter. It was held at the newly built Port Huron College Center, where a lighted water fountain gave the evening a romantic touch. To keep the evening moving, the Baily Street Band, from Romeo, Michigan, played many lively and popular tunes. After the prom, many couples gathered at friends houses to top off their night of unforgettable fun. The evening still and will always hold many lively memories in the hearts of the students who attended the Junior Prom.

One of the many activities that Seniors have an opportunity to participate in while still in high school, is the annual Senior Class Play. Through the co-operation of the class's chief advisor, Mr. Donald Weber, the class of 1977, put on one of the most modern and up-to-date performances ever slated by a high school. The play, written by Neil Simon, entitled "God's Favorite" brought the community together to view talents from students involved in drama, sets, props, curtains, sounds and lighting, as well as the cast itself. A play can not be put on with true efficiency without everyone giving their best. Proof of this fact, was well expressed by the great turnout and overall approval of all involved. Once performed, a great feeling of accomplishment could be seen and well appreciated and made it all worth while.

LAST BIG NIGHT OUT

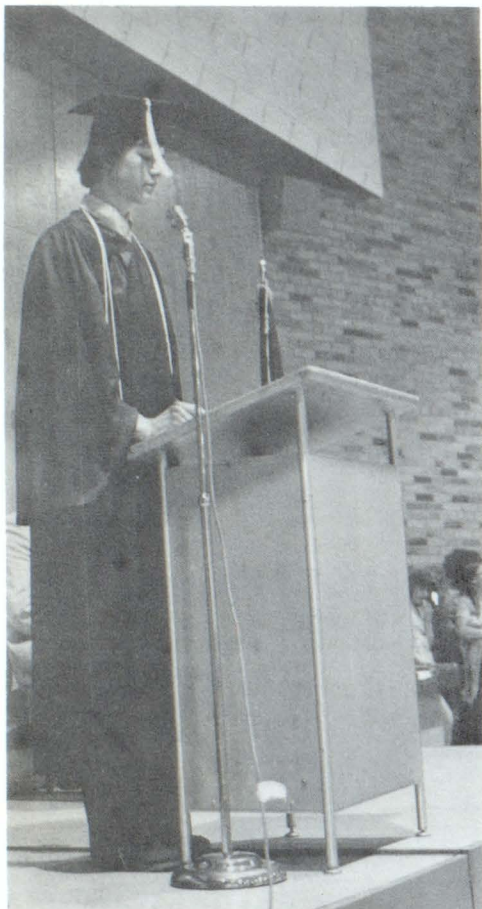

TOP RIGHT: What's happened to Char Sterling here? Could it be the result of a very romantic evening, or because of her handsome escort, John Gielegem, that puts that very dreamy look on her face? It's probably both, mixed together along with the excitement of the evening! **TOP LEFT:** Here we have the prom booklet, which lists the class motto, flower, officers, date of the prom, and so on. **BOTTOM RIGHT:** As the picture clearly states, Tim Page and Ann Emerich had a terrific time at the Senior Prom. **BOTTOM LEFT:** Most couples exchanged flowers, as did Pam Shovan and her date Frank. The buttoners and the corsages gave each prom goer extra brightness. According to these couples, the prom was a great success.

TOP LEFT: Many couples attended the Senior Prom, among them were Wally Stillwell and Bev Rood. Each table had several candles on them, which were lighted to make the night seem even more special. **MIDDLE LEFT:** Everyone donned their best attire for the big night. Here Diane Zimmer wore a beautiful light green gown, and her date, Dave Morningstar, wore a snappy tuxedo. **MIDDLE RIGHT:** Smile, you're on SCHS's candid camera! And so Jackie Quinn and Mike Erdman did just that.

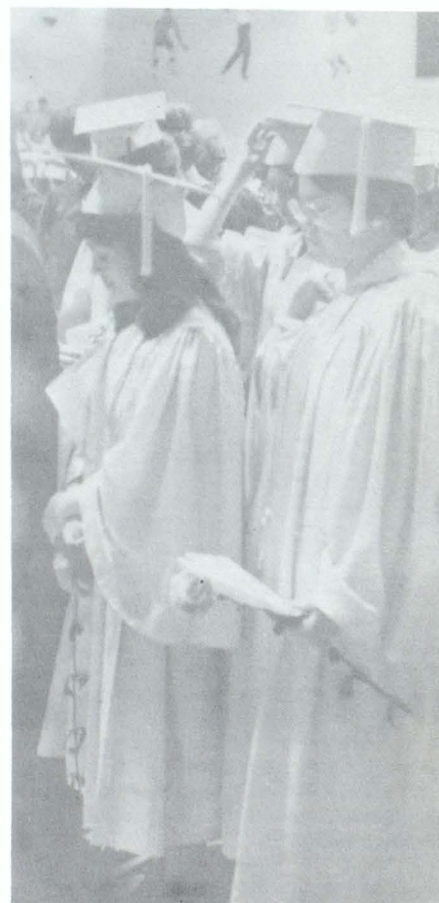

The evening of April 30th was one of the last times that the SCHS class of '77 would be together. The Senior Prom, with the theme title of "These Precious Moments," was held at the Holiday Inn in Sarnia. It provided a large buffet with punch. Everyone was kept on their feet with music by the group, Knee Deep, which created quite an exciting evening. Many couples had dinner at the restaurant of their choice, and then they attended the prom for an exciting evening.

“LOOKS LIKE WE’VE MADE IT”

The big moment, once again, came for a group of young adults. We, Saint Clair High School's class of 1977, received our diplomas on June 12th, at 2:00 p.m. with mixed feelings of a gain and a loss. We gained a different feeling of life, now being able to find our own, free way, into what our future is to be. And the loss being many tight bands of friendship stretching even farther apart. There will be no more crazy days in Saint Clair High for us, no more annual skip days, or being the big kids. We had our share of gladness and sorrow, and have given up our reign to the next graduating class. Many of us have chosen to go on to further education, some find a place of employment, and some are searching in other directions. Yes, we've really made it through the first big goal in one's life.

RIGHT: St. Clair High School's class of 1977 is presented to the audience. **FAR RIGHT:** "Far-out," Julie Jeffries is somewhat dazzled about the whole business of graduation. **BELOW:** Now with their tassels moved to the left, they are true high school graduates. **LOWER RIGHT:** Steven Draper looks subdued, while following behind him, Mark Edmonson, glows with a very happy grin.

“What I want to do when I want to do it.”

Every profession must occasionally lose the rare individual who has given a positive and dedicated standard of excellence to that profession. The teaching profession is one in which such a person, however, can leave, to hundreds, a rich and remembered legacy.

Mrs. Janet Paaanen, who retired this year, will have left us, and hundreds before, such a legacy. She taught 20 years at SCHS which included: homemaking, science, health, psychology, mathematics, English, and has coached girls' interscholastic basketball. Mrs. Paaanen will be missed but remembered.

“A picture is worth a thousand words.” If Janet is not out playing golf or entertaining on her silver platter, she will surely be out traveling with her purse full of money. If you ever want to know what Janet is doing just contact her son Don and he will give you her life story.
